Farm Equipment Lead Mechanic Position Description

Job Description: Saunders Brothers is a wholesale nursery and orchard operation in central Virginia. Saunders Brothers is looking for someone to be our Farm Equipment Lead Mechanic. The Lead Mechanic will oversee the operation, maintenance, and repair of farm tractors and farm equipment. This person will also oversee all metal fabrication at the Saunders Brothers Harewood Shop. If you've dreamed of working in a family atmosphere where hard work, integrity, honesty, and passion are core values, come join our team!

Duties:

- Supervise and assist in the maintenance of all tractors, sprayers, wagons, and utility vehicles.
- Work alongside any employees working at the Saunders Brothers Harewood Shop (may include 1-2 part-time employees during the busy maintenance season).
- Manage all metal fabrication and repair at the Saunders Brothers Harewood Shop.
- Oversee the ordering of all parts for farm equipment needing repair.
- Maintain inventory of farm equipment parts, shop tools, and keep them in proper working condition.
- Must be able to weld for fabrication and repair of equipment.
- Physically able to perform repair and maintenance tasks.
- Able to work outside in all types of weather.
- Able to use shop tools including various wrenches, shop hand tools, and various shop power tools.
- Work cooperatively with other members of the equipment maintenance team.
- Willing to perform other duties as needed.

Qualifications

- Must have a high school diploma or equivalent GED and a minimum of 3 years' experience in vehicle or farm equipment repair and maintenance.
- Must have a valid driver's license and must provide a copy of driving record (MVR) at time of application.
- Must be approved to drive by the Saunders Brothers insurance carrier.
- Must be willing to work Saturdays during peak season and other times as timely repairs are needed.
- Must have excellent attention to detail, organizational skills, and communication skills.
- Must be able to handle several tasks at the same time, prioritize workload, and have flexibility as work demands change.
- Must have a strong work ethic and integrity, be a team player, and have the willingness to learn and adapt.
- Must be willing to work with Spanish-speaking workers and be open to learning Spanish.
- Must have good communication and listening skills and be able to effectively work with entire staff at Saunders Brothers.

Start Date: As soon as a qualified candidate is identified.

Supervisor: This position will answer directly to the Director of Maintenance & Facilities.

Hours: Typically, Monday through Friday 8 AM to 5:00 PM with a lunch break midday. Summer hours are 7 AM to 4 PM to accommodate the heat. (Schedule changes with seasons.) Must be willing to work additional hours as workload dictates. Will be required to work some Saturdays and after hours as breakdowns or timely repairs are needed. This is a full-time, year-round position.

Pay and Benefits: We offer a competitive hourly rate (commensurate with qualifications), health insurance, vacation package, short-term disability insurance, 401k package (eligible after 1 year of employment) and employee pricing on plants and farm market items. We also offer professional training and staff development for staff.

Drug Testing and Background Checks: Saunders Brothers is committed to providing a drug-free and safe workplace. Therefore, all employees are subject to random drug testing, reasonable suspicion testing, and post-accident testing. In addition, all new employees will be subject to a background check upon a job offer.

Information and Application: Saunders Brothers Inc. is comfortably situated on the sunrise side of the Blue Ridge Mountains. Located less than 1 hour from the renowned University of Virginia medical center and Liberty University, Nelson County has numerous opportunities for hiking, biking, fishing, and skiing. Company perks include discounts at our retail Farm Market that include seasonal fruit from our orchards, family-raised meats and wholesale pricing on plants grown on our farm.
