

I can't believe this was done by a teenager!

There is a huge rock near a gravel pit on Hwy 25 in rural Iowa.

For generations, kids have painted slogans, names and obscenities on this rock, changing its character many times.

A few months back, the rock received its latest paint job, and since then it has been left completely undisturbed.

It's quite an impressive sight. Be sure to scroll down and check out the multiple photos – on all angles of the rock.

I thought the flag was draped over the rock, but it's not.

It's actually painted on the rock, too.
